## Forward Fees

Under the College's Forward Fees programme, tuition and boarding fees for any number of years may be paid in advance. For more information, please contact the Director of Finance.

## Laptops

Where students are supplied with College laptops, an insurance excess of \$100 will be charged to parent' accounts where the laptop is accidentally damaged, and a charge of \$500 will be made where the laptop is lost or stolen. Should an accidental damage claim be rejected by the insurer, the full cost of the repair will be charged to parent' accounts.

## Withdrawal of a Student

Notice of withdrawal must be given in writing to the Headmaster. A fee of 25% of the annual tuition fee of the year group the student would have moved to had they remained at the College plus GST, and where applicable 25% of the annual boarding fee plus GST, will be applied unless notice of withdrawal is provided in writing to the Headmaster no later than Week 1 of the preceding term.

For example, other than for Year 12 students or girls leaving at the end of Year 6 parents/carers wanting to withdraw their children from the College at the end of a calendar year are required to give proper notice no later than the end of the first week of Term 4 that year.

Verbal notification of withdrawal is not considered due notice. The notice of withdrawal also applies if a boarder wishes to become a day boy. The withdrawal of a student must be confirmed by the signatories to the student's Memorandum Offer of Enrolment Place.

## General

Term dates are published a year in advance. It is expected that only in the most exceptional circumstances would a student be absent from school at times other than official holidays. Students must obtain written permission from the Head of School for absences other than those caused by illness.

Students are not permitted to leave the College until the recognised closing date at the end of a term unless they have written permission from the Head of School.

When a student is absent due to illness, immediate notice by telephone or email must be given to the College and the reason for absence confirmed in writing by the parent or guardian upon the student's return to the College.

When a student arrives on campus at the commencement of a school day he/she may not leave without the permission of the Head of School or until the conclusion of all commitments on that day.

## Insurance

It is strongly recommended that parents check their health and general insurance policies to ensure they have adequate medical, personal property and liability insurance cover as the College cannot accept responsibility for medical expenses arising from accident or illness, loss of or damage to personal effects

and property or liability incurred by students for bodily injury or property damage.

## Illness or Injury

In an emergency, your child will be taken to a public hospital. If on the advice of the school's medical officer your child is admitted to a private hospital, the costs will not be covered by Medicare. You are advised to have private health insurance cover for this, and also for ancillary benefits.

## Scholarships and Bursaries

Academic scholarships for entry to Year 7 and Year 10 (for 2020) are available. Scholarship applications close Friday 15 March 2019. Scholarship exams will be held on Friday 22 March 2019. Music scholarships are available annually for entry into Year 7.
