### Forward Fees

Under the College's Forward Fees program, tuition and boarding fees for any number of years may be paid in advance. For more information, please contact the Director of Finance.

### General

Term dates are published a year in advance. It is expected that only in the most exceptional circumstances would a student be absent from school at times other than official holidays. Students must obtain written permission from the Head of School for absences other than those caused by illness.

Students are not permitted to leave the College until the recognised closing date at the end of a term unless they have written permission from the Head of School. When a student is absent due to illness, immediate notice by telephone or email must be given to the College and the reason for absence confirmed in writing by the parent or guardian upon the student's return to the College. When a student arrives on campus at the commencement of a school day he/she may not leave without the permission of the Head of School or until the conclusion of all commitments on that day.

## Insurance

It is strongly recommended that parents check their health and general insurance policies to ensure they have adequate medical, personal property and liability insurance cover as the College cannot accept responsibility for medical expenses arising from accident or illness, loss of or damage to personal effects and property or liability incurred by students for bodily injury or property damage.

## Overseas Health Cover (OSHC)

OSHC is compulsory for international students who hold or wish to apply for a student visa. The cost of overseas health cover will vary depending on the length of cover (based on the length of the student visa). Students at Wesley College are expected to have visa length OSHC cover.

## School Curriculum and Standards Authority (SCSA)

The School Curriculum and Standards Authority charges examination fees for full fee paying overseas Year 11 and Year 12 students. Any cost incurred will be charged to the student's account.

## International Travel

Parents are expected to note the commencement and final dates of each term and make travel arrangements to adhere to these dates. Please note that the College will not fund the cost of travel for students.

## Laptops

Where students are supplied with College laptops, an insurance excess of \$100 will be charged to parent' accounts where the laptop is accidentally damaged, and a charge of \$500 will be made where the laptop is lost or stolen. Should an accidental damage claim be rejected by the insurer, the full cost of the repair will be charged to parent' accounts.

## Refund Policy (please see below for full Terms of Refund)

The aim of this policy is to ensure that parents are aware of fees and charges payable in the event their child is unable to commence at the College, or withdraws from the College; and to provide parents with information that enables them to make informed decisions about their child's education. ## Role of the Tuition Protection Service (TPS)

In the unlikely event Wesley ceases to provide a course of study and Wesley is at fault, all unspent, pre-paid tuition fees (and associated fees) to date, will be paid to the payee in Australian Dollars by electronic transfer within two weeks of the default day.

The TPS is an initiative of the Australian Government to support international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- Complete their studies in another course or with another education provider; or
- Receive a refund of their unspent tuition fees.

This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.
