Year 10 Subject Selection Form for 2023

Name: _____

Mentor Group: _____

Please refer to the Year 9 and 10 Course Selection Guide for descriptions of the courses. This sheet should be used to draft your selections.

Final submission of elective preferences will be made online. Edval login details will be emailed to families from Mr Pateman, at the beginning of Term Three.

Compulsory Courses

Mathematics, English, Science, Humanities and Social Sciences (HASS), and Health and Physical Education (HPE) are compulsory courses. Classes in these courses will be assigned to you by the relevant Heads of Learning Area.

Curriculum Electives

You must select courses from the list below to a **total of four units**, plus **two** reserve choices. These electives run for six periods per fortnight.

- Languages run for the whole year and hence count as two units.
- The four units must **not** be all from the same colour.

Course	Duration	Units	Preferences (1 = first preference)	Reserve (Please tick)
