### Selecting Sports

Sport at Wesley is compulsory. Participation in sport provides life skills beyond the enjoyment of the sport itself, including teamwork and developing healthy and active lifestyle habits that we hope will continue for life.

Wesley students participate in before and after school sports training and competition against other Public Schools' Association (PSA) schools. Inter-School fixtures are typically held on Friday afternoons for Years 7 -9 students and Saturday mornings Years 10 – 12 students.

All students are required to select and participate in a summer and winter PSA sport. Every effort is made to give students their first choice of sport, however, sometimes it may be necessary to allocate students to their second preference, in which case, you would be notified.

Parents and Students should be aware that some sports require the use of specific uniform and/or equipment, such as a tennis racquet, hockey stick, mouth guard and shin pads. All participants must have the required equipment.

For further information, please refer to the 2023 Handbooks.
