**Welcome
to boarding.**

Welcome to Wesley College. We understand the significant commitment you have made in sending your son to the College and look forward to working in partnership with you to create the best opportunities for each boy. The members of staff are here to make life in the Boarding House as caring and nurturing as possible for all students, and to assist each boy to manage the demands of the College and life away from home.

Boarding at Wesley College involves a community based on trust and respect, providing a safe and welcoming opportunity for students to excel to their full potential. We have a strong desire to see the boys and young men under our care develop the personal traits that will help them enter the outside world with confidence and be contributors to their community.

Many unique and exciting opportunities are available to all Wesley students,

particularly for boarders. It is our desire to see all students make the most of these opportunities, and to this end, our main aims are:

- to provide a challenging and relevant academic experience where all boys have the opportunity to reach their academic potential by working hard and being supported by peers, staff and tutors
- to provide excellence in pastoral care for each boy—our emphasis is to ‘know the boy’ by developing positive relationships and working in partnership with the parents
- to provide an environment which is based on community and relationships – one of the great strengths of Wesley College is the culture of community and the positive relationships that are formed from this.

- to provide a student-focused culture that promotes social and emotional learning as well as active citizenship—where our students leave Wesley College as self-assured, confident young men who are empathetic to issues facing society.

All Boarding staff at Wesley College understand that they have a privileged opportunity to work closely with young men at a key time in their lives. We understand that these students will make mistakes at times, but we see these mistakes as opportunities for personal growth. We have great hope for all of our students to make a positive difference in what is a changing and increasingly complex world. Most importantly, we want the students, when they leave boarding, to be good people and men who understand the meaning of respect, compassion, integrity and courage.

Boarders have continued access to the College's extensive facilities and resources. The construction of the East Wing, as well as the renovation of Upper Cygnet, has provided 62 spacious and well-equipped rooms for our senior students as they move through their final years of schooling. The proximity of the College to the extensive open spaces of Sir James Mitchell Park, Angelo Street precinct and the Swan River makes the College location a significant benefit to those who reside in Boarding.

Wesley boarders have distinct advantages:

- a world-class, contemporary education
- access to the Wesley Sports Centre, including the pool, weights room and gymnasium at times outside of school hours
- access to the recently-renovated Science, Ward and Kefford Buildings, Middle School classrooms and the Joseph Green Centre, which offer state-of-the art computers, classrooms and music practice rooms
- access to health care, advice and facilities throughout the school day and after hours
- on-site security that is accessible throughout the night, if required
- assistance with travel arrangements for Mid-term and end-of-term holidays

Belonging to this community helps teach the boys to live with others and always be respectful of one another. Boarding at Wesley College is a wonderful opportunity and we look forward to working in partnership with you to ensure a successful and fulfilling Boarding experience.

This handbook outlines the day-to-day procedures and guidelines of Boarding House life. Such procedures are put in place to ensure that the boys live cooperatively together with respect. The major information relevant to Boarding at Wesley College is contained in this handbook. We look forward to welcoming you to the Wesley College family and to having regular contact with you via Schoolbox, telephone, email, letter or social media.

Please contact the Boarding House staff if you have any questions.

ACTIVITIES PROGRAM

On weekends a number of activities are available that are organised through activity coordinators at each of the PSA schools. The activities offered vary from weekend to weekend, depending upon the interests and time available for the duty and resident staff, however, we seek to provide interesting and low cost activities.

The types of activities which have been offered are:

- Laser tag
- Golf
- Bike riding
- Socials
- Ice skating
- Adventure World
- Basketball/indoor cricket in the gym
- Bounce
- Ten-pin bowling
- Indoor rock climbing
- Movies
- Watching AFL/WAFL football, NBL Wildcats, Western Force Rugby etc

These activities are normally not compulsory and boys are able to choose the activities in which they participate.

Boys are also sometimes encouraged to go outdoors and spend time away from dormitories, computers and TVs. Payment for organised activities is charged to parents' accounts.

Throughout the year, several compulsory cross year level activities will occur. Boarders will be expected to attend as this plays a vital opportunity to develop connections between the various year levels.

B

BOARDING HOUSE STRUCTURE AND CARE ARRANGEMENTS

Our Boarding House accommodates up to 172 boys from Year 7 to Year 12 from all over Western Australia, interstate and overseas. Nearly all of the staff who work in the Boarding House live on-site and are a key component of the development of a vibrant and supportive community. The pastoral care model of the Boarding House is horizontally structured, ensuring boys belonging to each year group are under the direct care of their relevant Year Coordinator (YCo). It has been said that the key tenet to successful Boarding at Wesley College is the support that our senior students provide for the younger members of the community

The Head of Boarding is responsible for the successful functioning of the entire Boarding community. This role is not directly focused on one particular year group, but rather an umbrella over the whole Boarding operation which includes students, staff, facilities and the day-to-day management of the House.

This role is supported by the various YCos who are often teachers within the school. A Boarding YCo is responsible for the welfare, morale and encouragement of the academic progress of boarders

within their year group. A YCo is the conduit and contact point for boarders with regards to all aspects of their life at Wesley. Parents will get to know their son's YCo well, allowing for a high level of pastoral care.

The YCo positions for Year 7 and 8 are nominally filled by teaching staff members of the Middle School. As members of the Middle School team, they know the challenges facing the boys in these formative years and by working with the boys teachers, they are able to understand the stages the boys are going through in their transition.

When students move into Senior School (Year 9) their pastoral care will transfer to a new YCo for the remainder of their journey. This provides continuity for all parties and it is hoped that a strong relationship develops across these years. If you have any questions about your son's progress or welfare, his YCo is the first point of contact. These staff will develop clear and effective lines of communication so that you are aware of the individual journey and weekly

experiences that they have whilst away from home.

YCos will work in conjunction with the day school staff members for the pastoral care of your son. The YCo will liaise with the relevant Head of Year and mentor. For day school matters, parents should contact the relevant day school staff. In both Middle and Senior School your son's Tutor or Mentor are the first point of contact for day school academics, events and other matters. The YCo will stay abreast of such information and you can always discuss this with them.

Residents on Duty (RODs) within Boarding assist with the day-to-day operation of the House through rostered supervision. These staff members are diverse in their skills and expertise but common in their genuine desire to positively influence the lives of young men. These staff are often involved in other aspects of the College as Teachers, Educational Assistants, coaches or assisting the academic tutoring program. The RODs are an essential part of the care system. They form a principle adult

contact with the boys and, like the boys themselves, have a range of interests, views and personalities, so that all boys are able to relate well to members of staff. It is always good to see boys interacting with RODs during the course of the day.

During Prep time, additional academic tutors support boarders with their studies. The YCo will work with this team to tailor support and it may be subject specific, or skill based. Further, the Boarding House runs its own Boarding Support Program for boys in Years 7 to 10 to help them navigate key areas of boarding.

The help that is given is Year level specific with Year 7s being assisted with general organisation and utilising the tools supplied to them (Schoolbox)

whilst for the Senior boys, is more subject and content specific.

The College psychologists are also available for the support of parents and boys, working closely with the College Chaplain and Boarding staff. College psychologists also work closely with the Head of Boarding and YCos.

Boarding House administration duties are significant. The monitoring of leave requests, assistance with travel organisation and social functions throughout the year, as well as the day-to-day communication with parents, is handled by the Boarding House Administrator, who supports all staff, especially the Head of Boarding, in the operation of the House.

The Recreation Officer organises and supervises weekend activities for

boarders. These are often in conjunction with other schools and provide many opportunities to socialise and develop friendships. This position also coordinates a team of Wesley College recreation staff to attend these events and provide adequate supervision. The person in this role supports the Head of Boarding and the YCos in the operation of the House.

The Boarding House provides laundry services to all students. Laundry staff are responsible for providing laundry service throughout the week for students. They are also important in the pastoral care of the students through the strong relationships they are able to foster with each boy throughout the year. This is assisted by their attendance at all community functions and their ability to assist each student with the tasks that enable them to be organised and well-presented each day.

The Dining Hall catering team are in-house and members of the Wesley Staff. This allows for direct input from the boarders in the menu for the term. There is a Boarding Food Committee under the direction of the Wellbeing Prefects and they liaise directly to the Head of Boarding and Head Chef. This relationship with the students and the continuity of service creates a great atmosphere in the dining hall. Students are able to have input into a four-week rotating menu that is reviewed each term by the Head of Boarding and the Head Chef. Outside consultation with dieticians is undertaken periodically with information sessions run for the

boys to enable healthy choices both at the dining hall and outside.

BOARDING HOUSE PROGRAM

Each morning starts early in the Boarding House with a ROD taking over duty early from the overnight security guard. The RODs work as a team with the YCo who is supervising the boarding house for a 24 hour period. Staffing increases during important times of the day to ensure the boarders are well supported. Each morning, there is a team to get the boys up and going to breakfast and liaising with the Year 12 Prefect team to conduct morning room inspections.

Members of the pastoral team are present at all points of the school day to supervise boys as the go about their day.

During evening Prep time, there is a team of boarding staff to support the boys in their nightly study, including Academic tutors, RODs and YCos.

The regular daily program runs from Monday to Thursday with nightly prep with differentiation for weekend nights. Routine is integral for the smooth running of a boarding house so boys can know what they should be doing on a regular basis. The different routines are structured around the needs of each day regarding their schooling, sporting and social needs.

Please note that boarders may pre-order main meals if needed. For example, a senior boy may order a packed lunch if he thinks he will return late from Saturday sport. Similarly, a boarder attending a carnival or special function may arrange to pick up his meal early, or to have his evening meal kept in the dining room. These are referred to as ‘late dinners’ and may be ordered at the front desk.

EVENING STUDY (PREP)

Each student who attends the College must seek their personal best within the academic program. To this end, the Boarding House has significant diversity amongst its students as to their ability and engagement in this field. From those on an ATAR pathway to students who need specialist assistance in a range of subject areas, we are focused on providing the necessary support so they can achieve success. The key ingredient to study success is good organisation and regular study. The Wesley evening study (prep) schedule for boarders has been carefully designed and includes the following features.

There are five compulsory prep nights (Sunday to Thursday).

- For Years 10–12 each prep evening has a generous ‘prep break’ on Monday–Thursday from 8.15pm – 9.00pm. During this time a boy may use the games room (pool, table tennis), read, attend to further study, swim in the supervised pool or do weight training in the gym, play tennis, watch TV, etc. A healthy balance between study and exercise is encouraged.
- Year 7–9 students have a nightly sleep routine where they spend half an hour in their rooms as quiet time before lights out. These are staggered by 15 minutes with Year 7 beginning at 8.30pm.
- All Year 10–12 students return to their rooms before 9.00pm. They have late prep (or second prep), with Year 10 and 11 having 60 minutes (9.00–10.00pm) and Year 12 having 90 minutes (9.00–10.30pm) or later if required and approved by the YCo or ROD.
- Boys must be fully prepared for prep and are not allowed to move about during first prep. Boys may do group work, music practice or practise debating/speeches in late prep or with ROD approval. Year 11 students must study with their door open.
- Prep must be conducted in a manner which is conducive to learning. The use of phones is not allowed unless staff have given approval.

To assist in the process of achieving personal best for each student, significant resources are available through the accessibility to specific boarding academic tutoring. A team of academic tutors, consisting of current staff and suitably qualified academic tutors is available to the boys each night of the week. This is designed to be year appropriate and focus on study skills and specific academic subjects. For the senior boys, they also have the ability to access the schools Academic Evening Program, where additional tutors are available. The YCos work with their boys to coordinate this assistance. Parents who choose to engage with external tutors should liaise with their appropriate YCo to coordinate access and timing. External tutors will need to have a current Working with Children Check (WCC) to work independently with a student in a school setting.

BOARDING HOUSE RULES

Wesley College rules and values apply to boarders at all times but, within a residential community, there is a strong focus on carrying out the values of Respect, Integrity, Compassion and Courage as actions. These values are fundamental to the successful operation of Boarding and are a constant source of discussion and reflection as students move through their years in the community. Key rules that apply within the Boarding House are as follows:

- No boy may enter the room of another boy unless that boy is present and has given his approval.
- No student may leave the Boarding House precinct after 9.00pm on any evening unless on authorised leave or under the supervision of staff.
- Boarding students may not have access to motor vehicles on school grounds and any driving done by students must be given approval by Head of Boarding.
- Once 'lights out' is in place, there must be silence throughout the Boarding House.
- Boarders are not to request leave which will clash with any legitimate and required College commitment. This includes Saturday sport for Years 10–12.
- Ball games are not to be played inside any areas of the Boarding House.
- All items of clothing and personal property must be clearly marked with the name of the owner (in the indicated location please).
- Parents, siblings and guests are not permitted into the residential areas of the Boarding House during term. There is an exception to this rule on the first and last day of term as boys are setting up/clearing out their rooms. Please speak with the Boarding staff member before moving into the residential part of the House.
- 'Day boys' are not permitted into the residential section of the Boarding House at any time, and only in the foyer by invitation.
- A boarder is 'in residence' at all times during term time, except when he is on leave with his parents.
- Boarders may not return to the Boarding House between 8.30am–3.20pm on school days unless signed in by staff.

Ball Games

No ball games are to be played inside the buildings or close to windows. Kicking or throwing any ball is not allowed inside. Boys who wish to play with a ball should go out onto the grass in Hanton Quad or use the extensive School ovals and playing fields. Golf is not to be played on any part of the College grounds.

Boundaries

The following are out of bounds at all times:

- hotels, taverns and licensed premises;
- private houses (without leave);
- Junior School buildings; and
- the roof of any College or Boarding House building.

Common Rooms/TV Rooms/ Games Room and Community Cleaning

The Wesley College Boarding House is a community and boys are required to perform duties at certain times. To a large extent, the smooth running of the Boarding House depends on boys performing their duties with a minimum of fuss.

The common/TV room areas are the responsibility of all members of each year group, including its tidiness, maintenance and any damage that occurs. A roster is in place for this.

Some cleaning duties are regular, but undefined for example all boys:

- are responsible for making their beds and tidying their rooms daily;
- should leave the library or work rooms tidy.

Some cleaning duties are regular, but rostered, for example:

- tidying the common room;
- tidying public areas.

Gaming Devices/ second devices

Boarders are not permitted to have their own gaming consoles and other similar devices (Nintendo Switch, iPads, etc) as these are provided in the common room areas. Each boy is allowed to bring one phone. This will be secured in a communal cupboard and time on the device will be restricted. Boys are not to bring in a second device. All Wesley students are supplied with a school

laptop and therefore there is no need for an additional personal laptop.

Room

Your room is your responsibility. You must maintain it carefully and you are responsible for any damage. Rooms should be tidied by 'lights out' in the evening, and must be completely tidy by 7.45am, ready for inspection. This means the bed is made, nothing is on the floor, clothes are hung up, shoes, paper and books are packed away neatly.

Shoes

Boys must wear shoes/footwear at all times when walking on the College grounds or on street leave.

Showers

Boys are allowed to shower twice each day, before breakfast and before dinner in the evening. No showers are to be taken during prep time. Boys are to be sensible in the showers and not deny others hot water through selfish overuse.

Uniform and Dress

When the uniform is worn it must be complete and of a high standard.

Boys are required to change out of their College uniform on return to the Boarding House. For meals, casual clothing should be smart and well laundered. Footwear must be worn at all times in the dining room. For special occasions, a collared shirt is required.

BOARDING SANCTIONS

As a Boarding community we all understand that there will be times when students make poor decisions. It is important that the students are educated about decision making by asking:

- Is this behaviour safe for me?
- Is this behaviour fair to others?
- Is this behaviour smart and in my long-term best interests?

Mistakes will be made and as staff we will use these incidents as learning experiences. Sanctions will be imposed but the severity of these sanctions will vary due to the honesty displayed by the student and the subsequent learning that they take from the experience.

Sanctions may need to be enforced as a result of not following the rules and structures within the Boarding House. Consequences for minor offences might include one or more of the following:

- jobs around the Boarding House
- students being required to sit apart from peers (near the reception desk) for a period of time
- extra dining room duty
- being prevented from attending recreation activities on weekends
- confiscating property being used inappropriately. This is especially relevant to technology and devices.

More serious offences such as rudeness to staff, bullying, breaking leave guidelines, continuous disruptive behaviour, will be dealt with by YCos

or Head of Boarding with sanctions including:

- weekend detentions;
- gating (cancellation of all leave privileges);
- suspension from the Boarding House for a period (administered only by Head of Boarding). (This is generally a result of stealing, bullying and actions which fail to follow the key values of the House.); and
- permanent exclusion from the House where the student is no longer a member of the Boarding community.

Note: Only YCos and the Head of Boarding can impose these more serious sanctions. RODs may recommend to YCos that a certain action be taken.

All decisions will ultimately be guided by the College's relevant policies: the Student Behaviour Management Policy and the Student Code of Conduct. These are available for review on Schoolbox.

C

COMMUNICATION

Parent/Student Communication

There are several options to contact your son whilst he is in the Boarding House. Each student has access to an email account. Phones are available in the Boarding House and the numbers are published within the contact section of this document. Most, if not all, communication is done through a personal mobile device.

Boarders' Communication

Updates and information on each year group within Boarding will be sent by individual YCos on a regular basis and added to the Boarding House page on Schoolbox.

Contact with Teachers

Contact with teachers is welcomed at Wesley (including email). If you have any questions or concerns regarding Boarding matters, the first point of contact is your son's YCo. If it is a school matter, please contact your son's mentor/ tutor or class teacher.

Country Visits

During the year the Head of College, Head of Boarding and other Boarding House and College staff visit various country destinations. These visits include major field days, functions to celebrate past, current and future families, as well as community trips for students and staff. Details and destinations will be made available prior to the time.

News Digest

Schoolbox is the prime method of communication between the College and parents across all sub-schools.

News, relevant to your family, is emailed via a Daily Digest at 4.00pm, Sunday–Thursday during term time.

Whole School or sub-school news is uploaded and updated by Community Relations and can be submitted any time by emailing communityrelations@wesley.wa.edu.au. Year group news is uploaded by sub-school administration teams. Specific group news (e.g. for sports, arts, P&F, or any other speciality group) can also be uploaded and the contact for this will depend on the group—details will be on Schoolbox.

If you need any help with Schoolbox, please email: schoolboxhelp@wesley.wa.edu.au

COMMUNITY SPORT

Many students within Boarding are involved with community sporting teams.

This is encouraged and helps the students to further their interest in a range of activities whilst building greater connections with students from both Wesley College and other schools.

Examples of these teams include the South Perth Football Club, WASPs Hockey and South Perth Cricket Club.

Separate leave applications through REACH are required for these, especially where the student is travelling with a third party. The leave requests can be implemented on a recurring basis. If a student is walking to their training and it is local (Years 7–10), they can simply sign out on community sport leave with one another, otherwise, as in the case for

Years 11 and 12 students, they will need an approved leave in REACH.

DEVICES

The guide to ILT and devices can be found on page 24.

General rules for all year levels:

- No phones to be used in dining hall and no phones to be used during Prep time.
- No gaming consoles or personal laptops (only Wesley supplied laptops to be used). Extra devices will be removed and stored safely.

DINING ROOM

The dining room is set up in a 'café style' where students may come and go at allocated times. There is a four-week rotating menu available to all parents.

All food from the dining hall should be eaten in the area unless the chef has given prior approval. Attendance at all meals is compulsory and staff will monitor this throughout all meals. We encourage students from all age-groups to mix together at these meals and will host special dinners throughout the term to help with socialising. Good manners, correct dress, no mobile phone usage and orderly behaviour are essential at all meals. Staff have the right to rule on any dress during meal times.

Breakfast is seen as the most important meal of the day. Each boy is expected to attend from 7.00–8.10am, and may sit at any table. Lunches are provided from the dining room and the students have access to a significant menu range each day. There is the opportunity to 'build your own roll' during lunch, as well as access to a range of salads and a hot option.

Evening meals are between 5.30–6.10pm. Boys are able to attend at any time during this period depending on other commitments, including late training sessions. This time period provides a flexible and casual feel for the nightly meal. Each night there are staff and their families at these meals which helps to create a 'homelike' atmosphere. There are some limitations on dress standards in the dining room. These are:

- no bare feet
- no hats
- full uniform when in uniform.

No phones to be used in dining hall or in Prep. No gaming consoles, iPads or personal laptops (Wesley supplied laptops only).

DRESS CODE AND UNIFORM SHOP

Uniform Shop

The Uniform Shop is situated off the main Angelo Street entrance (follow the signage) and retails new and second-hand clothing at competitive prices. The clothing store is open during the school term each Tuesday 8.00am–4.30pm, Wednesday 12.00–4.30pm and Friday 10.00am–2.00pm. When a Mid-term Break occurs, the shop will be open on the Thursday prior to break from 10.00am–2.00pm.

Dress Regulations

It is the responsibility of students to ensure their uniform (daily wear and sporting) is clean, correct and in good repair. The College places emphasis on wearing its colours with pride and with a sense of corporate responsibility. In the same way, the College expects that students will keep their hair

neat, groomed and clean. Failure to do so will result in disciplinary action, which may include withdrawal from College sporting teams. Students may wear a headband in sporting activities, provided it is plain dark green or white.

The items listed in this document are the minimum compulsory requirements. From time to time other items may be introduced by sporting teams or other activities wishing to designate a special event or purpose. Unless otherwise instructed by the Head of College, such additional items are not compulsory.

Best Dress

When it is a best dress day, boys are required to wear winter uniform with a white, long sleeved College shirt. Best dress must be worn to the Special Services and Speech Night.

Note: Boys wear blazers to Chapel and assembly.

Daily Wear

The number in brackets after each item indicates the recommended quantity for boarders.

Summer Uniform (Term 1 and 4)

- College regulation shirt (5)
- College regulation shorts (4)
- College regulation socks (5)
- College regulation pullover
- Black lace-up leather shoes (1 pair)

Winter Uniform (Term 2 and 3)

- White College shirt (5)

- College regulation socks (Years 5 to 12)
- College regulation pullover
- House tie
- Black lace-up leather shoes (as above)
- College hat

At all times, boys must have at least one of the following:

- College black wide brim hat
- Plain white cricket hat with College crest

No other form of head wear is permitted when boys are participating in any sporting activity under the auspices of the College or wearing the uniform of the College. School shoes must be leather black lace up, athletic/lifestyle black shoes are not permitted.

Name tags to label College uniform items are manufactured by Cash's and Nametapes 'R' Us and available at the Wesley Uniform Shop.

Sundry items required by boarders include:

12 pairs of underpants

12 pairs of socks

DRIVING, TRAVELLING IN CARS AND SAFETY

Residential students with licences may only drive on School property in the company of their parents or if special permission has been granted by the Head of Boarding. No cars are to be driven or parked on the premises whilst a boy lives in the Boarding House. If an occasion should arise when a boarder with a valid driver's license wishes to drive a car or parents wish him to do so, the Head of Boarding must have a written request from parents. If permission is granted, the keys to the vehicle will be handed to the Head of Boarding and stored in a safe lock box.

We request that no boarders travel as a passenger in a vehicle driven by another student unless permission has been granted by both parents and the Head of Boarding. The Boarding House will endeavour to assist in all travel arrangements to alleviate this issue.

Please refer to the '[Policies and Procedures](#)' tab, under the '[College Services](#)' menu of [Schoolbox](#) to view Wesley College's Student Drivers Policy.

Road Safety

Wesley's central metropolitan location is a great attraction for parents and boys alike, but it means boys have to be particularly careful to observe normal road safety requirements.

This is particularly important for the Year 8 students who attend the Katitjin Program.

Boys should cross only major roads surrounding the school in appropriate places, preferably at marked pedestrian

crossings controlled by traffic lights. Traffic light signals must be observed at all times. Boarders detected ignoring traffic light signals in the vicinity of the College will have street leave privileges withdrawn.

Angelo Street

Boys should also cross Angelo Street at the marked pedestrian crossing. Boys should always exercise particular care in crossing roads in the vicinity of the College.

Coode Street

Boys should cross Coode Street at the Angelo Street intersection. There is a pedestrian phase in the signal sequence at this location, allowing for diagonal road-crossings to be made.

Mill Point Road

Boys should only cross Mill Point Road to reach the bus stop on the northern side of the road, to have access to the Wesley boatshed or to Sir James Mitchell Park, at the traffic lights on the corner of Coode Street and Mill Point Road, or at those on the corner of Mill Point Road and Tate Street. Boys should only cross when the walk signal is green, taking careful note of cars turning right from Coode or Tate Streets into Mill Point Road at these locations. Particular care is needed when crossing Mill Point Road at these locations.

G

GENERAL INFORMATION

Bicycles

The College is happy for boys in Years 7–12 to have bicycles, provided they are able to exercise due care and responsibility. The College is fortunate with its location providing easy access to the cycle paths around the foreshore, but boys still need to ride on busy roads to gain access to them. Government legislation states that everyone must wear a bicycle helmet and it is College policy that a helmet must be worn at all times. We also recommend that each boy has his own bike pump, although one will be provided. There is a dedicated storage area for bikes in the Cygnet courtyard. Students should utilise the provided storage racks and ensure their bike is safely secured with a lock. However, parents are advised that, as with most schools, we have periodic thefts of bicycles from the grounds and parents should therefore determine whether their son really does need his bike here and if so, check their insurance cover. Students should provide their own locking device for added security.

Boarders who wish to use skateboards or roller blades may do so only within areas defined by the College and must wear a helmet and protective gear at all times.

Insurance

The College does not insure boys' property in the Boarding House. Therefore, it is strongly recommended

that parents take out an 'all-risks' insurance policy or equivalent, to cover all their son's personal effects that are here, such as bikes, iPods and mobile phones. Please check details carefully with your insurance firm.

Pocket Money

Pocket money causes great concern to parents as you can guarantee that whatever the amount of money is given to your son it will be, according to him:

- not enough; and
- much less than everyone else!

It is recommended that all boys have their own EFTPOS card which they learn to manage themselves. This is ideal as parents can monitor spending remotely. Boarders should not keep large amounts of cash within the Boarding House. If

required, cash can be deposited in a safe with the Head of Boarding.

It is strongly advised that parents deposit small amounts on a regular basis (rather than putting in a lump sum at the beginning of term). The amount you give your son will vary slightly from family to family. All activities arranged by the College are charged to your account so the amount allocated will be for small incidental items only.

By allocating money on a fortnightly basis, the boys are encouraged to budget and to spend their money wisely. If you provide a lump sum, the temptation to spend it all is very great and some boys find they have no money toward the end of term, which can lead to problems. If they know that they have a certain amount arriving each fortnight they will be under less pressure. Where possible,

it is advisable that money is paid directly to the bank.

Lock Boxes

Each room within the Boarding House has a secure space for storing valuables. A combination lock is provided on entry to Boarding and it is the student's responsibility to use this lockable space. As they move into their senior years, students have lockable rooms which will only be accessed by a key.

Phones, iPad, iPod, smart watches, bluetooth headsets and stereo speakers

Electronic devices are collected each night for Years 7 – 12 and stored in a locked space with access to charging points. As the students move through the years, an element of trust is placed in each boy to use the devices in an appropriate manner and their access to devices will increase. Students are

supplied with a school laptop device which is fully supported by the ILT department. Therefore, there is no need for personal computers. All devices that utilise the school's Wifi network have their use monitored. This monitoring system provides daily reports to key staff and we therefore recommend that personal devices are also connected. This will also alleviate the need for large monthly download quotas. The school and boarding utilise ClassPolicy software to monitor student's laptop use during school and prep time. If a student is accessing inappropriate material, or allowing themselves to be consumed by these devices, restrictions will be put in place. This may include confiscation of devices, where the boarder will be asked to text home before the device is locked away for a period of time.

We discourage stereo speaker systems in the Boarding House as these tend to significantly impact on others. Please

leave these at home as devices that are used inappropriately will be confiscated.

Years 11–12 must submit their phone for Prep and, with parent discussion, it can also be kept overnight.

Fridges

The new facilities recently created enable students in Year 11 and 12 the opportunity to have a small bar fridge in their rooms. These are monitored regularly for cleanliness. Fridge dimensions are:

Height – 705mm

Width – 485mm

Depth – 450mm

Electrical Appliances

All necessary electrical appliances will be provided by the College and therefore these are not permitted for individual students. The entire Boarding House is air-conditioned for both seasons and there is no requirement for extra heating or cooling appliances.

The exception to this is a desk fan. However, this needs to be appropriate in size and students should ensure this is turned off when they are not in the room.

It is recommended students have a personal alarm clock as they will not have access to their phones.

Electric blankets are not allowed due to the safety risk.

Security

The College grounds and facilities are monitored each day by an external security company. These staff begin

at 8.00pm each night and patrol the College. Following the final Boarding staff member concluding their shift at 12.00pm, the security guard is based at the front desk of the Boarding House until 6.00am. These guards monitor any late night activity and will call the YCo on duty if intervention is required.

H

HEALTH SERVICE

The Health Centre is located on Swan Street, beside the Boarding House and opposite the tennis courts, and is open during school terms from 7.30 am to 6.30 pm, Monday to Friday.

The Health Centre is staffed by Registered Nurses who, whilst managing any medical needs, contribute to the overall care and wellbeing of our boarders. The nurses start and finish their day within the boarding house to facilitate their care of the boys. Outside of opening hours a Health Centre nurse is on call should the need arise.

Contact information can be found at the front of this handbook.

Care of Boarding Students

Please don't hesitate to contact Health Centre staff regarding your child's health and wellbeing. It is important that the Health Centre is kept up to date with any medical concerns and is aware of every boarders' health profile in a holistic sense. The team is always happy to discuss this with you via phone 9368 8073 or email: healthcentre@wesley.wa.edu.au.

We will not contact parents for minor illness or insignificant injury which may be short term or is able to be quickly remedied.

If a Boarding student is unwell or injured in the evening or overnight, they should speak with the ROD or YCo on duty, who will contact the Registered Nurse on call for advice if needed.

Students returning from sick leave must report to the Health Centre for review before returning to the Boarding House. Please arrange return times during Health Centre hours where possible.

Medical Information

Please also ensure that all health and medical information held by the Health Centre is kept current. Information will be sought digitally at the start of the school year, but should anything change during the course of the year, please be directly in contact. This includes Medicare details and all information regarding any current medications. This can also be updated when needed via SchoolBox. All medical information is kept in strict confidence.

Medications

Prescribed medication must be administered under the direction of the Health Centre. Boys are not permitted to have any medications in their own rooms/bags in the Boarding House. This includes over the counter medication such as Panadol, Nurofen and Cold and Flu Tablets, due to administration safety requirements and accountability.

If your child requires medications or supplements to be administered regularly, please complete the 'Permission for the College to Administer Medication' form on Schoolbox. Instructions for this process are found on the Health Centre and Boarding Schoolbox pages. A consent form is required for any medication or pharmacy products to be administered at school or at school activities.

It is preferred that all boarders who require regular medications have these prepared by a pharmacist in a Webster Pak for safety and ease of administration by nursing and boarding staff. Wesley Health Centre works closely with the local Amcal Community Pharmacy, who

offer this service for a small fee. Health Centre staff will provide authority forms for you to complete for Webster Pak and payment options.

Over the counter (OTC) medications are kept in the Health Centre and Boarding House medication cupboard and are available to boarding students as requested. Providing consent for these products to be administered is included in your pack. Please contact nursing staff if you have any further questions regarding medication administration or supply.

GP Service

Dr Wai attends the Health Centre once a week (currently Thursday mornings) for medical review of boarding students. Management of repeat scripts and Action Plans for Anaphylaxis and Asthma can also be provided. Dr Wai provides has a long-standing relationship with Wesley and the Boarding community. Mill Point Medical Centre is located within walking distance of the College if appointments are required at other times.

Medical Appointments

The Health Centre is there to assist with the coordination of medical appointments. Please submit a REACH leave request for your son to attend all medical, dental or allied health appointments. Arrangements for transport via a taxi can be made if requested. A Cabcharge voucher will be provided and costs will be added to the student's account. Boarders must sign in & out via the health when attending medical appointments.

Exemption from Sport

If a Boarding student is unable to attend sport due to illness or injury, a sports exemption can be issued after review by Health Centre staff. Health Centre staff liaise with parents/local carers and allied health professionals to determine whether rehabilitation for Boarding students is required. Injured students are expected to attend sport and training sessions to spectate or participate as able.

Health Alerts and Action Plans

Please contact the Health Centre and provide a current Action Plan and medications if your child suffers from any of the following:

- Anaphylaxis
- Allergy requiring medication
- Asthma
- Diabetes
- Epilepsy
- any other potentially life-threatening illness.

Asthma Management

Parents/carers must provide the Health Centre with a current Asthma Action Plan for their student and any medications they require for Asthma Management. All staff members are trained in the provision of asthma first aid with retraining as required. All students experiencing symptoms of asthma will be treated with the Four Step Asthma First Aid plan unless the Health Centre is advised of special requirements for individual students by way of an Asthma Action Plan. Asthma first aid kits are available throughout the College.

Anaphylaxis Management

Anaphylaxis is the most severe form of allergic reaction and is potentially life-threatening and must be treated as a medical emergency, requiring immediate treatment and urgent medical attention. Information regarding a student who suffers

anaphylactic allergies should be passed on to Health Centre and Boarding staff as soon as possible.

Parents are responsible for:

- supplying the Wesley College Health Centre with a current action plan signed by their specialist, GP or nurse practitioner, and two EpiPen's prescribed for their child
- the provision of accurate and up-to-date health information about their child
- replacing expired and used EpiPen's

One EpiPen and Action Plan for Anaphylaxis will be placed in an insulated container at the Boarding House Reception and the second is kept at the Health Centre to be used in case of emergency and for school excursions and camps.

Diabetes Management

It is recognised that there are additional considerations and requirements for a student in boarding with Type 1 and Type 2 diabetes, or Diabetes Insipidus.

Boarding and Health Centre staff are available for support and assistance for a diabetic student residing in the Boarding House. However, primary care with regards to blood glucose levels (BGL) and insulin dosage rests with the student and his parent/guardians.

Parents should supply:

- Emergency Glucagon injection
- Current Diabetes Management Plan
- Hypoglycaemia kit equipment.

Anything else...

Please don't hesitate to call in to the health centre, give us a call, or send an email. We are looking forward to meeting you soon!

Nomination of Local Carer

Wesley College requires that all students residing in its Boarding House have a nominated local carer for both medical and general welfare requirements, if you are unable to come to Perth within four hours if required.

Your son's local carer will be responsible for caring for your son if he is unwell, injured, requires emergency care, requires transport and an adult to attend scheduled appointments, or is required to be removed from Wesley College Boarding House for other reasons. The local carer will need to be willing and able to accept a sick child into their home.

Your son's local carer must be an adult over the age of 21 years, proficient in English, lives in Perth or surrounding suburbs, and is willing to be readily available for school contact and undertake the responsibility for care and support for your son. Please seek prior approval from your nominated local carer. Please contact the Head of Boarding if you wish to nominate your son's sibling who is under 21 years of age.

Local carer details must be renewed at the beginning of each school year, or if your local carer becomes unavailable.

This will be prompted to you at the start of each year through EdSmart.

L

LAUNDRY/WASHING

All washing and/or cleaning of boys' clothing is handled on the premises. Boys put their clothing into the Laundry on their allocated days, and their clean clothes may be collected from both the Boarding House foyer and the students' individual pigeon holes. The cost of laundering school uniforms and casual clothes is covered by the Boarding fees.

Laundry Hours

Monday - Thursday (7.00am - 3.00pm)

Laundry is to be handed in between 7.00-8.30am on wash day.

Monday: Cygnet & East Wing

Tuesday: Tranby

Wednesday: Cygnet & East Wing

Thursday: Tranby

Friday - Lost Property day

Please come to the laundry if you are missing clothing.

- Ensure that all items of clothing and bed linen are named appropriately, preferably with sewn on name tags
- Do not overload sock bags (sock bags are for socks, jocks and boxers only). Please unroll socks and zip bag up all the way.
- One sock & jock bag is supplied to each boy on arrival (after that they are charged to your account). Sock bags need to be zipped up fully with velcro tag sealed.
- Please check and empty pockets (tissues, pens etc).

- All tracksuits to be inside out and zipped up.
- Sheets and towels are to be washed EVERY week (including pillowcase, doona cover and rugs).
- Items urgently required, whether on your washing day or another, please let us know before you put items in wash.
- Remove ALL clothes from your box in the laundry return area that same afternoon.
- Mending or sewing, including name tags – please see Mrs Higham in the laundry. The Laundry also has a permanent label machine and we are happy to help with labeling.
- Speciality items ie. wool or new clothing that might run in colour, please bring it to us to sort before washing.
- Stains/marks on clothing – please bring it to our attention before it goes into the wash

Clothing

It is essential that all articles of clothing are clearly marked. We strongly recommend that this is done twice.

Woven name tags should be sewn onto the article in a prominent place, so that the article is easily identifiable, (e.g., on shirts on the inside of the back of the collar, and for trousers, on the inside of the waistband). Iron-on tags may wash off but can be sewn on.

A second marking with a proper laundry pen gives extra identification in case of theft or accident. A laundry marker is available for use by the boarders in the Laundry. If required, Laundry staff will

sew name tags onto items of clothing, especially if purchased during the term or for overseas students, but it is recommended that you send all items already labelled and check labels during each holiday break. Invariably, the boys wear the article first, put it in the Laundry unmarked and then complain that the Laundry has 'lost' their clothing. Shoes should also be properly marked as it is very easy to confuse your black shoes or sneakers with the person in the next cubicle.

Make sure that all clothes may be machine washed on regular cycles or dry-cleaned. Please do not send items that cannot be tumble dried or need hand washing. If the boys place these items in the washing piles, they won't be seen and will be ruined.

Avoid sending items of great personal value and/or of delicate fabric. Clothes have to put up with a lot in an environment of over 160 boys.

Avoid sending too much casual gear, especially shoes. Untidy rooms are often a result of unnecessary clothing.

Boys are required to wear their uniform during school hours from Monday to Friday, including breakfast and lunch on those days. After that they may wear casual clothes, subject to rules for street leave and the dining room. Every boy should have at least one pair of smart, casual trousers. In addition, they will require at least one smart shirt which must have a proper collar. At times throughout the year, the student's will be required to wear 'smart casuals' for Chapel services, socials or other events. This means smart trousers (not denim), a shirt with a collar, and socks and shoes.

LEADERSHIP

Living within the Boarding House, boys have a pathway where they can develop their leadership style and apply this within their residential setting as well as in the formal day school environment. With the student body including boys from Years 7–12, students have the chance to develop the different skills needed to not only lead within their cohort, but also those of all year levels. With this in mind, a program has been devised that gives the boys a chance to experience leadership, through a process where they firstly identify different styles of leadership and reflect on these to enable them to start developing their own style. This culminates in Year 12 where they have the chance to put this in operation across the House as a senior member.

Whilst there are specific leadership roles within the House, all boys are expected to display leadership and stand up for what is right and set the tone of the House. The age old motto of you don't need a badge to be a leader is certainly promoted within Wesley Boarding. The values and ethics that are behind true leadership is expected from all boys, no

matter who is watching and it is at this point that it can be best judged.

For us in the Wesley Boarding House, leadership is based around relationships and the mutual respect that is built when this is successfully done. The boys are educated in the different forms of respect and how to go about building the correct type of respect to become a successful leader. The notion that genuine respect is built through positive interactions with peers over a period of time governs the program that has been devised.

Wesley desire to have co-ordinators undertake different activities within their groups to build relationships which enables students to develop the confidence needed to lead. They then orchestrate situations and opportunities for students to gain experience. Overall though, there is a sequential plan from Years 7–12.

In Years 7 and 8, further to the opportunities offered in the before mentioned paragraph, the boys will work with various senior members of the House and have the opportunity to experience first hand different

leadership styles. Boys are prompted to reflect on the different approaches and styles of the boys who they have worked with to start thinking about their own style. One such opportunity is towards the end of Term 1 where all boys from Year 7 are 9 are joined together for various afternoon activity sessions so that they can get to know each other and start to develop a relationship with somebody. At the same stage, the Year 8 boys are paired up with the Year 10 boys. At the conclusion of several activities, the Year 7 and 8 boys are asked to identify someone from the senior level with them as a person who they would like to work with. The YCo then pairs the year level up and another set of activities and opportunities are instigated so that the Senior boy can act as a mentor.

During Year 11, the specific process of selecting the leadership team for the following year is a term long process. The boys are provided different opportunities to lead the House in

activities during the spring season. This occurs after the school's leadership camp that the boys can elect to attend. This period culminates in the election of a Boarding House Captain and then Captains of the two Houses within the boarding house, Cygnet and Tranby. These leaders are then backed up by a further three boys in each House with portfolios of Wellbeing, Service and Spirit. Those elected hold these positions through Year 12 and work with the staff to foster and nourish the strong house culture that exists. Those that don't earn one of these positions can find leadership opportunities through the various house competitions that exist during the year where someone is required to select and lead the House for that event.

Overall, the boarders have a great opportunity to practice leadership through both the day school and the boarding house and helped along through their journey by the staff who themselves act as role models

LEAVE ARRANGEMENTS

The College wishes to demonstrate maximum trust toward every boy in the conduct of leave arrangements. Leave is generously available to the boys to encourage a sense of responsibility and accountability, both to each other and to the College. For this to apply and for all boys to benefit accordingly, each boy must understand the following simple principle: staff on duty must know where a boy is at all times. If staff do not know where a boy is, or is mistaken or misinformed, then that boy has failed in his responsibility and will be held accountable.

The Boarding House utilises the REACH online leave system which all students, parents and staff use to coordinate leave

arrangements. With all leave requests, a parent must approve this independently. Students can initiate leave requests, but they must not have access to a parents account where they can approve leave.

Leave for the weekend should be placed before 8:00 pm on Thursday night. This will enable the YCo an appropriate time to approve for the weekend and also for catering arrangements to be made. YCos will endeavour to approve late leave requests, but this may not always occur in time. To reduce disappointment, please ensure leave is submitted in a timely manner.

This system has the capacity to:

- provide quick and efficient management of leave for parents, students and staff;

- provide a clear and accurate record of all leave arrangements;
- provide better coverage of on-campus leave requests;
- provide accurate numbers for catering purposes; and
- provide a running schedule of all leave for each boarder so that staff are well aware of those who are coming and going.

The REACH Guide for Parents can be found at <https://parents.reach.cloud>

This system also has the added capacity to manage roll and attendance, record notes on students and provide accurate and up-to-date information on each student that is aligned with the College's Synergetic database.

Therefore, a boy can expect sanctions if they:

- fail to seek leave approval in the proper way;
- fail to sign out in the proper way;
- go somewhere other than that which has been approved;
- leave the Boarding House without permission; and
- do not inform the staff, by telephone or personally, of any changes in approved leave arrangements.

It is essential for a boy to personally report to the staff on duty when he returns from leave. If a boy is out on leave, he may not return to the Boarding House and then leave again, unless he reports to staff and explains the

circumstances. Once he returns to the Boarding House, a student is deemed to be back in residence, and he may not go out on leave again unless further leave is approved.

Whilst there is no restriction on the number of times a boy can apply for weekend leave, it is worth remembering that weekends are often when the full benefits of the Boarding experience can be felt. As boys organise their time together, relax together and generally appreciate each other in a less-structured environment, their friendships grow. In the initial stages of a boy's time in boarding, the weekends will play an important role in helping them develop their place within the house.

It must be clearly understood that, apart from leave with parents, the decision as to whether leave is appropriate will rest with the YCo or ultimately the Head of Boarding.

Boys will not normally be granted leave if they have Saturday College sports commitments, unless organised through the Head of Boarding.

Local Carers or Emergency Contacts for Students

In the absence of parents in the Perth metropolitan area boarders need to nominate local carers or an emergency contact. These persons must reside in Perth and be over 21 years of age unless an immediate family member. The role of a local carer involves taking on responsibilities for the parents and therefore parents need to ensure they choose people in whom they

have confidence. Local carers are also required to ensure their contact details are kept up to date, notifying the College of any changes.

This adds an extra layer of support for the students whilst away from home and plays an important role in the welfare and happiness of our boarders, as well as supporting the Boarding House at times of need. Nominated persons may be required to assist in transport arrangements, provide accommodation during Boarders' Weekends, take care of the student when he is too ill to remain in the Boarding House or his behaviour has necessitated that he stay away from the Boarding House for a period of time.

For International Students, the role of local carer is essential to their application to attend the College. The person must be a responsible adult (a person who is at least 30 years old), and hold a current Working with Children Check. International students are not allowed to change their local carer/local carer without parental permission.

A local carer is welcome and encouraged to attend school functions and parent-teacher information nights in place of the parents, as appropriate.

Hosts

Parents must provide Boarding Administration with signed documentation which lists full details of each host for their son. This information will then be available on the school database for those staff who require access. Such hosts are usually relatives or close friends of the family with whom parents are happy for their sons to be

given approval to stay overnight, or who may collect their son from the College and provide transport around the Perth metropolitan area. Each host should have been contacted to confirm their willingness to accept responsibility for the boy.

As a general principle, a host would be over 21 years of age. Parents should apply directly to the Head of Boarding for exceptional circumstances. For example, a parent may request their son can visit/stay over night with a trusted and mature older brother or sister. These siblings must understand the responsibility they are taking on by agreeing to be a host and it is the College's expectation that a boy will remain in the company of the host for the duration of any granted leave or that the host is aware at all times of the boy's whereabouts. The College reserves the right to review a boy's host list and to take appropriate action to deny leave if they believe a host is providing inappropriate care and supervision of a boy.

Hosts must come to Boarding Reception and collect students from the Boarding House. This is to ensure the safety of the boys as the College hands its responsibility to the approved host. Hosts must also return the student to the Boarding House, thereby handing back responsibility to the Boarding staff. Please do not drop the student off at the Boarding House without advising the staff.

Leave Categories

The guide to boarders' leave can be found on page 46.

There are three broad categories of leave:

Overnight and/or special leave

These require the approval of the Head of Boarding or the relevant YCo. Typical examples are when a boy will be:

- away from the Boarding House for one or two nights during a weekend with an approved host; or
- with parents/local carers for the evening during a week day.

All leave of this category needs direct personal contact with the appropriate YCo. YCos finalise leave at 9.30pm on Thursday evenings. This allows them to check the relevant details and consult the Head of Boarding, if needed.

Day leave

This category of leave needs the relevant YCo (or YCo on duty) to approve. The ROD can then sign the student out once they have spoken with YCo. Typically,

this type of leave allows boys to visit the city, a local area such as the foreshore, or go to a film with other boys. Day leave with an approved host can be authorised by the same procedure. For leave with people other than those on the approved host list on the student's card, written permission through an email from a parent is required.

Street leave

Street leave is available on non-sport days and on weekends. Street leave lasts for 60 minutes and in normal circumstances is given once per day. Street leave is obtained by signing out with the ROD using the appropriate section of REACH. On Friday and Saturday evenings, the ROD may give permission for street leave to Year 11 or 12 boys, subject to special arrangements of privilege.

Dress for street leave: all years—neat casual clothing with footwear.

O

OLD WESLEY COLLEGIANS' ASSOCIATION

Membership in the Old Wesley Collegians' Association (OWCA) is available to all ex-students of Wesley College (South Perth) be it male or female. Length of attendance at Wesley matters none, we welcome and embrace all ex-students.

The primary objectives of the OWCA are to:

- Continually grow the standing of the College in the wider community
- Make the Wesley experience a positive and life-long one
- Provide services to the past student membership that facilitates communication amongst themselves and the College
- Provide career advice and mentoring to the current students.

The OWCA seeks to facilitate and foster communication between current students, past students, the College and the wider College community, through a number of activities. The OWCA is governed by an independent executive committee of past students. The OWCA hosts a large number of reunions each year, special events as well as regional and international visits, including:

Sporting Events

- OWCA Golf Day

- OWCA v College Summer Challenge
- PSA Challenge: College Cup Sailing
- OWCA v College Winter Challenge
- PSA Challenge: PSA Golf Day
- Gold Sponsor of 'WASP Hockey' and 'Curtin/Wesley Football'

Cultural Endeavours

- Annual ANZAC Day Service
- Gold Sponsors of the Wyvern Big Band
- Pioneers' Day
- OWCA Business Breakfast
- Careers Uncovered

A subsidiary of the OWCA is the Mildred Manning Scholarship Trust. The Trust seeks to raise funds in order to provide income for scholarship funding to deserving students. The Trust is managed by the OWCA and appointed Trustees.

P

PARENTS' & FRIENDS' ASSOCIATION

The Wesley College **Wesley Parents' & Friends' Association** (P&F) is an incorporated body with membership open to all parents and local carers of Wesley College students. The broad aims of the Association are:

- to foster and promote the welfare and progress of Wesley College and its students

- to create a fellowship among members of the Association
- to provide a representative and consultative forum for the Head of College

The P&F undertakes many events throughout the year including social functions, family and fundraising events. Regular parent information evenings are held and may include guest speakers who discuss relevant topics and also discussion-based topics on College policy matters.

Funding is derived annually from parent subscriptions, fees raffle and fundraising from various activities and events. From these resources the P&F are committed to funding projects which enhance the student experience at Wesley College while at the same time offering support to the parent body.

The Association is governed by an Executive Committee which is elected at the Annual General Meeting of the Association in Term 3 of each school year. The current boarders representative on the Executive Council is Amanda Macnamara. You may contact Amanda at: parents@wesley.wa.edu.au.

PARENT SUPPORT GROUPS

Wesley College has numerous parent support groups operating to assist the delivery of programs, thereby benefiting the entire student population. The parents working within these groups volunteer their time, expertise and enthusiasm to ensure that the groups run in an efficient and productive manner. The Boarding Support Group meets online on the first Wednesday of each term.

Aims

The aims of the support groups vary from group to group. However, their primary functions are to:

- Support the personnel responsible for conducting specific programs
- Provide financial support for items such as tours and equipment that cannot be provided through the allocation of school funds
- Provide a medium of social interaction between parents.

Although the College is committed to the provision of the fundamental requirements of each program, budgetary constraints do not enable all the wants of every program to be met. Therefore, the in-kind support and the financial assistance provided by the support groups enhance the programs.

Current support groups include:

- Music Support Group
- Boarding Support Group
- Wesley Rowing Supporters' Club
- Wesley Rugby Union Friends and Supporters (WRUFS)
- Wesley Football Support Group
- Wesley Hockey Support Group
- Wesley Basketball Support Group
- Wesley Cricket Support Group
- Wesley Soccer Support Group
- Wesley Tennis Support Group
- Wesley Volleyball Support Group
- Wesley Water Polo Support Group

A parent support group committee comprising one representative from each of the individual parent support groups, a P&F representative and the Director of Community Relations meet on a term basis. It is the aim of the Committee to adopt a collaborative approach to manage processes and gain consistency across the various support groups. There is also an opportunity for individual representatives to seek advice or ask for assistance in developing ideas and practices.

Guidelines

Guidelines have been developed through consultation between Wesley staff and representatives of the various support groups. These guidelines provide terms of reference for the existing groups and also provide foundation information for the establishment of new groups.

If you have any queries in relation to the PSGs or would like a copy of the Guidelines, please contact: communityrelations@wesley.wa.edu.au.

T

TRAVEL AND HOLIDAY ARRANGEMENTS

Travel Arrangements

The Boarding House requires leave requests to be submitted via REACH for each holiday period.

Note:

The arrival for most terms will also include a parent function. Special parent/teacher interviews for Boarding parents occur at the beginning of Terms 2 and 3. In general, the Boarding House will be opened and staffed from 3pm onwards on the day before College starts.

The end of the term is a busy time and we expect that students attend all classes and events. There are circumstances where travel arrangements do not allow this but we ask that parents make every effort to adhere to the end-of-term timings so students do not miss valuable learning time. Parents should utilise the assistance of the Boarding Administrator with travel arrangements and bookings.

International students are responsible for their own travel bookings. However, where possible, assistance will be given. Copies of airline tickets must be submitted to Boarding administration as soon as possible.

During holiday periods, rooms are expected to be left clean and tidy so that a thorough clean can be done by the cleaning staff. There are times when camps may come into the Boarding House and arrangements for the storage of personal belongings will be communicated well in advance.

WESLEY SPORTS CLUB

Boarders have the benefit of accessing the facilities of the Wesley Sports Club throughout the week and weekends. This includes a gymnasium, basketball courts, tennis courts and a heated 50 metre pool. These facilities are staffed separately to Boarding by fully qualified staff and therefore the ease of access is an added bonus.

WESLEYANA CLUB

The Wesleyana Club is a group of mothers of former College students, who meet formally once a term at the College. This usually involves a guest speaker, morning tea and an update by the Head of College on College activities. In the past, this group has raised funds for various College and community projects. If you would like further information, please email the Wesleyana Club Secretary, Laurel Smith at: lrcsmanor@westnet.com.au
