

## JS Before and After School Activities

The Junior School offers a range of Clubs and Before and After School Activities for students to join. They are well subscribed and fill up quickly.

We have three types of activities available, including:

1. We Dare You Club – open to all students
2. We Dare You Club nominated – selected students only (parents will be contacted by email prior to bookings opening)
3. Before and After School Activities – open to all students.

The We Dare You Clubs are facilitated by Wesley College teaching staff, with external providers engaged for the Before and After School Activities.

To streamline the process the clubs and activities will run for a full semester, with enrolments only taken twice a year. Parents are reminded to carefully consider the commitment prior to enrolling as refunds are not provided.

All enrolments are completed through Schoolbox, the College Learning Management System.

### How to enrol

Enrolments can be completed by visiting the JS Before and After School Activities page on Schoolbox.

An outline of each available club and activity is available including a link to book. An example of a 2023 activity is shown below:
