ABORIGINAL AND TORRES STRAIT ISLANDER SCHOLARSHIP APPLICATION FOR ENTRY IN 2026

Wesley College is proud to offer scholarships for Aboriginal and Torres Strait Islander students from rural, regional and metropolitan areas in Western Australia who will enter Years 7-10 in 2026.

Successful applicants will be part of our Moorditj Mob - Wesley's Aboriginal and Torres Strait Islander Student Program. The program is an important part of the College's culture and fosters great pride within the Wesley community. In the Nyoongar language, Moorditj means 'great', 'strong' or 'excellent' and fits well with what the College strives to achieve.

Wesley's Scholarships are merit based. A shortlist of candidates will be selected for an interview with the Wesley Head of College (*or his representative*), the Indigenous Program Coordinator, and Head of Sub School. The application as a whole and supporting documentation, such as current school reports, will be considered when the interview short-list is decided.

We have several Scholarships available for students, as either day or boarding students:

- Bass Family Indigenous Scholarship
- Madalah Scholarships
- AIEF Scholarships
- Wesley College Indigenous Scholarships

MADALAH Limited is a not-for-profit organisation that offers secondary and tertiary education scholarships for Indigenous students, primarily from remote and regional communities, to WA's leading boarding schools and Australian universities. MADALAH secondary scholarships provide support to students from Year 7 -12. These scholarships are administered by MADALAH on behalf of the National Indigenous Australians Agency (NIAA). We are a partner school with MADALAH and therefore enrolled students may be eligible. For more information, please visit their website: <https://madalah.com.au>.

The AIEF Scholarship Program (**for boarding students only**) is a 'parent and school-led' model which means that applications, enrolment and student selection, education delivery, pastoral care, student safety, health and well being are managed and led by each Partner school. AIEF Scholarships also provide students with participation in the AIEF Pathways Program to help AIEF Scholarship Students make a successful transition from school to further studies and employment.
