YEAR TEN						
After purchasing, students can access digital resources by logging into their MyConnect2 account. We recommend using your school email address to log in and check everything is set up before the school year begins. If you don't yet have the student's school email address, please check at school in the first week back. For login help and more information, visit: https://campion.com.au/myconnect2-login/						
Things to remember:						
<ul style="list-style-type: none"> • Digital access at your school is provided via MyConnect2 – there's no need to use the code in your print book • Digital resources are valid for 12 months, unless otherwise stated • Please choose carefully, as digital resources cannot be returned, refunded or exchanged for change of mind.

SCIENCE AND SCIENCE ENRICHMENT S.A.S. (SERIOUS ABOUT SCIENCE)						
No text required.						
Students should ensure they have a Scientific (non-programmable, not class-pad) calculator. This should have been retained from previous years.						
Students are encouraged to have an exercise book for the Physics component of the course.						
SPORTS ANALYTICS						
As an integral part of the Sports Analytics curriculum, the students will be given an opportunity to learn to use industry-leading game analysis technology. There will be a levy of approximately \$120 (still to be confirmed by Nacsport) for the license for this technology that will be charged to the student's account.						
SPORT SCIENCE						
Year 10 Sports Science classes will be using Revise Online as a question and answer resource throughout the course (http://www.reviseonline.net.au/).						
To save time and effort at the busy start of next year, Wesley College will forward your son's name to be registered with this organisation and will pay \$30 for their initial subscription. This cost will then be charged to student's account.
