Scholarships and Bursaries

Wesley College is dedicated to making world-class education accessible. We offer a range of distinct scholarship types to help students from all backgrounds achieve their full potential. Annually, the College opens applications for scholarships for Year 7 and 10 entry.

Bursaries are available to assist current families whose circumstances have significantly changed since enrolling at the College. For further information, please contact the College's Director of Finance and Resources on (08) 9368 8004.

Withdrawal of a Student

Notification of withdrawal of a student must be received in writing by the Head of College, no later than Week 1 of the preceding Term. In lieu of adequate notice, one term's tuition and boarding fees (if applicable) will be charged. The notice of withdrawal also applies if a boarder wishes to become a day student. Verbal notification of withdrawal is not considered due notice.

The withdrawal of a student must be confirmed by the signatories to the student's Memorandum Offer of Enrolment Place.

General

Term dates are published a year in advance. It is expected that only in the most exceptional circumstances would a student be absent from school at times other than official holidays. Students must obtain written permission from the Head of School for absences other than those caused by illness.

Students are not permitted to leave the College until the recognised closing date at the end of a term unless they have written permission from the Head of School.

When a student is absent due to illness, immediate notice by telephone or email must be given to the College and the reason for the absence confirmed in writing by the parent or guardian upon the student's return to the College.

When a student arrives on campus at the commencement of a school day he/she may

not leave without the permission of the Head of School or until the conclusion of all commitments on that day.

Insurance

It is strongly recommended that parents check their health and general insurance policies to ensure they have adequate medical, personal property and liability insurance cover as the College cannot accept responsibility for medical expenses arising from accident or illness, loss of or damage to personal effects and property or liability incurred by students for bodily injury or property damage.

Illness or Injury

In an emergency, your child will be taken to a public hospital. If on the advice of the school's medical officer your child is admitted to a private hospital, the costs will not be covered by Medicare. You are advised to have private health insurance cover for this, and also for ancillary benefits.

Government Assistance

Assistance for Isolated Children Scheme

The Australian Government provides assistance in the form of boarding allowances to the parents of children who, because of the geographical isolation of their homes, do not have reasonable access to a government school offering courses in the appropriate year of schooling.

Applications must be lodged each year on the appropriate form. In addition, the State government will make a grant to each student who satisfies the conditions of the Australian government allowance.
